A Quarterly Newsletter from the Town of Upper Marlboro

The President's Message

Neighbors,

It has now been a little over one year since Commissioner Linda Pennoyer, Commissioner Wanda Leonard, and I were elected into office to serve as the Board of Town Commissioners for the Town of Upper Marlboro. Over the past year and a half, our administration has made great strides in improving the quality of life for residents and visitors, who live, work, learn and play in the historic Town of Upper Marlboro.

Town Financial Position

As in any municipal government, the Town of Upper Marlboro manages an annual budget under the governance of the Board of Town Commissioners, the Town Treasurer, and the Director of Finance. A municipal budget is a financial instrument that weighs policy priorities against available public resources; specifies the ways and means of providing public programs and services; provides the government with a spending limitation; and provides transparency by which the government may be held accountable to at the end of each budget cycle.

Fiscal Year (FY) 2018 Financial Update

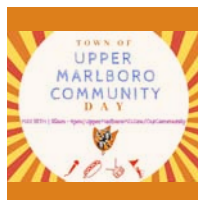

Each year, municipalities are required by State law to undergo a robust financial audit, conducted by a third

party, to ensure proper financial controls are in place; accuracy of financial figures are being reported; identify and report fraud, waste and/or abuse and to provide general guidance on opportunities to improve the municipality's overall financial health. This month, the

Town completed its audit for Fiscal Year 2018 (July 1, 2017- June 30, 2018). Below are some highlights from the audit that I'd like to share:

- Largest expenditures were two capital projects - rehabilitation of the new Town Hall and Public Works facility improvements;
- More robust policies are needed around our financial oversight including the development of several more accounting policies;
- Town should have no more than 6-8 months operating revenue in savings accounts to ensure tax dollars are being maximized;
- Town should earmark funding for future projects to ensure proper planning and forecasting.

It should be noted that the Town Commissioners and I were elected midway through the FY 2018 budget, and yet still managed to end the Fiscal Year under budget.

Fiscal Year (FY) 2019 Financial Update

My focus for Fiscal Year 2019 (July 1, 2018- June 30, 2019) has been to research and apply for external grant funding to help support our municipal operations. For decades the Town has solely relied on its tax base to fund Town services and operations and made little effort to pursue alternative funding available to municipalities.

It is important that the Town continue to provide excellent services to residents and continue to identify new and innovative ways to fund these services without relying solely on the residential tax base. In the last year, we have applied for over \$1.2 million in grants, which is the largest amount of external funding the Town

has ever applied for to date. These grants will provide funding for Public Safety upgrades and operations, new recreational opportunities, clean energy upgrades, infrastructure improvements, economic development, and streetscape improvements.

To date, the Town has been awarded over \$400,000 in funding for the upcoming Fiscal Year 2020 (the largest amount of non-tax base funding in its history). This includes a \$175,000 Bond Bill that we secured through the support of our 23B State Delegation representatives Senator Douglass J.J. Peters, Delegate Melvin Holmes, and Delegate Ron Watson. This Bond Bill funding will be used to rehabilitate a historic building located in the heart of downtown, which will be repurposed into the new Town of Upper Marlboro Welcome Center. We also received grant funds in the amount of \$200,000 dollars from the Maryland Department of Natural Resources to construct the Western Branch Waterway Park. This new recreational park will be equipped with a kayaking lift and fishing pier for residents to enjoy. The Town was also awarded a \$25,000 from the Maryland Department of Energy to fund energy efficient projects within the Towns corporate limits.

In addition to seeking grant funding, I have been working to identify other ways to generate new revenue streams outside of the residential tax base. Below are examples of several new alternative revenue streams:

- Food Truck Permitting Fees
- Town Business Licensing
- Town Building and Construction Permitting

- Expanding Downtown parking availability and new competitive rates

Opportunities for Improvement

Governing a municipality presents several seen and unforeseen challenges. The Town's biggest challenge has been increasing revenue generation, monitoring spending, while also meeting the needs of our community, and ensuring accurate forecasting across all areas of government. Prior to my election into office, previous administrations within the Town had done little work to ensure proper oversight and robust financial practices. For Fiscal Year 19, our biggest challenge was the overestimation of possible revenue from speed and red-light cameras that will not be obtained this fiscal year due to several factors outside of the Town's control. In response to this change, in February of this year, we passed a revised mid-year budget which showed significant reductions in allocated funding in all Town departments (over \$400,000 in reductions were made across all departmental areas). Despite these reductions, there was still a financial gap that needed to be covered which we have been able to cover through our reserves. Even with these changes, to date the Town maintains over 8 months of operating funds in our reserve accounts. We will continue to refine our financial practices to improve our forecasting projections in preparation for FY 2020.

Last Quarter (Fiscal Year 19) Forecast

We anticipate closing out the year with over 6-8 months of Town

Continued on next page »

operating expenses in reserves, as recommended by our auditing firm. I am also working to grow the Town's tax base through annexation and continuing to identify external revenue sources such as additional grants, sponsorships, and public capitol funds.

My goal is to ensure that the Town remains financially secure and maintain the delicate balance between saving for the future and also ensuring we are maximizing our tax dollars to make much-needed improvements to our community.

Town Infrastructure and Services

I take deep pride in the high-quality level of public services that the Town of Upper Marlboro provides to its residents and visitors.

General Government

Our General Government branch is based out of our Town Hall offices and works to ensure that Town operations are functioning properly. To ensure that we are meeting high-quality standards in customer service, operations, finance, public safety, and public works. I have been working diligently with internal and external stakeholders to enhance our Town's internal business infrastructure. This includes upgrading our town IT systems, developing and implementing new business operational policy and procedures to improve our financial, human resource and administrative processes.

Public Works & Beautification

When I came into office, one of my main priorities was the beautification of our Town. For years, the Town has

suffered from old signage, unkept landscaping, and trash & litter control issues. To address these issues, the Town has completed the below projects which have helped improve the overall look and feel of our community:

- Installation of additional trash & pet waste stations
- Town street sign replacement & rehabilitation
- Cahn Memorial beautification
- Old Crain Highway Monument restoration
- Installation of town welcome banners
- Overall landscaping of public land throughout Town

Through the efforts of our dedicated Public Works crews, the Town has worked to complete the above projects, as well as implementing robust litter collection and beautification initiatives, to bring the Town's appearance to the high standard our residents deserve.

Public Safety

After several external audits and studies, it became apparent to me that the Town's Police Department was not operating at an acceptable standard and was in fact, a liability to the Town. As a result, I made the unconventional decision to dismantle the entire force and rebuild the department from the ground up. This rebuilding has been extensive and has been done in partnership with the Prince George's County Police Department and the Prince Georges County Sherriff's Office. In January of this year, I was proud to announce that the Town of Upper Marlboro had hired its new Chief of

Police, Chief David Burse who retired from the Prince George's County Police department after 25 years of service. Since being hired, Chief Burse has been working diligently to build a police force that values transparency, professionalism, integrity, community-based policing and diversity.

Building Public/Private Relations

To accomplish our goal of being the best place to live, work, learn and play in Prince George's County, it is key that we build relationships within our community stakeholders. This includes partnering with our residents, business leaders, elected officials at the County, State, and Federal level. In the last year, I have met with our Congressmen, State Delegation, Lieutenant Governor, County Council, and local Mayors. I have also encouraged our Town staff to also begin building their own networks with their staff counterparts at the County, State, and Federal levels as well. These partnerships have led to many benefits to the Town i.e. grant funding, increased advocacy, and legislative support.

Economic Development

"A bustling downtown district filled with art and culture surrounding the thriving small businesses, shopping boutiques, and restaurants that string down Main Street. Historical attractions and sites are filled with visitors and residents, all looking to be engulfed by the Town's undeniable charm. Main Street is lined with matching lustrous black lampposts and carefully crafted visitor benches placed strategically along the historic red brick sidewalks."

Continued on next page »

This is our vision for the historic Town of Upper Marlboro, and over the past year, we have taken many strides to make this dream a reality. I have worked to create a business-friendly environment to spur economic development by engaging with Town business owners and passing new Town legislation to build a business-friendly environment. The Town has also released a Request for Proposals to support the redevelopment of the Downtown area. We have also partnered with the Prince George's County Chamber of Commerce to stand up an Upper Marlboro Branch under the Prince Georges County Chamber of Commerce, the first of its kind in the region. The Upper Marlboro branch will be able to provide robust technical support to Upper Marlboro businesses, autonomy through its own Board of Directors and the ability to focus on the specific issues that impact the local Upper Marlboro business community.

Community Engagement & Events

Over the past year, thanks to the assistance of our newly-formed volunteer Town Events Committee, the Town has organized and successfully executed over 14 community events. These community engagement opportunities are near and dear to me personally, because as a Mayor I am looking for new ways to foster and encourage an inclusive environment, while instilling a sense of community. These events have been attended by over 1,500 Town and Greater Upper Marlboro residents. Below are a few examples of successful events we have held to date:

- Candidate Forums
- Town Hall Ribbon Cutting

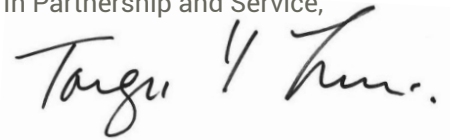

- Summer Movies at the Pond
- Cruzin' Main Street Car Show
- Fit & Fun Event
- Poetry Slam
- Town "Hall-iday" Party
- Game Nights
- Veteran's Day Luncheon,
- Business Forums
- Trunk or Treat on Main Street
- and many more!

I am also proud to announce that the Town is bringing back the Town of Upper Marlboro Community Day, formerly known as "Marlborough Day". This event will be held on Saturday, May 18th, 2019. The day will kick off with a parade down Main Street, followed by a festival in the downtown area, games, food, entrainment, vendors, and much more! I encourage all residents to come out and join us!

In closing, it's my duty as Mayor and President of the Board of Commissioners to oversee the infinite and untapped potential in the beautiful, historic Town of Upper Marlboro. I am thrilled to join forces with our local residents, businesses, County, State and Federal partners in making the Town a great place to live, work, learn, and play. My goal is to ensure that the Town of Upper Marlboro is a community that values inclusiveness, dedicated to public safety and champions economic growth and development. Through commitment, visionary leadership and hard work, the Town of Upper Marlboro is on a trajectory to becoming the premier destination for visitors and residents alike. As the year continues, I look forward to

servicing each of you with integrity and thoughtfulness.

In Partnership and Service,

Mayor Tonga Y. Turner
President, Board of Town
Commissioners

Darnall's Chance Events

Change up your lunchtime routine and wander over to the museum on your lunch break to listen to some of the area's top musicians. Bring your own brown bag lunch or picnic basket. Some picnic tables will be on-site, but you are encouraged to bring a blanket or chair. FREE!

Town of Upper Marlboro Community Day!

Saturday, May 18, 2019 10am - 4pm

of our community to celebrate our improvement and engagement among the Town! The name change is a revitalized version of "Marlboro Day", where all community residents, local, state and federal partners can show support for each other through an event promoting fun, memorable and family-friendly experiences in our local community.

This year closes the gap of a five-year hiatus in community engagement and inclusiveness.

The Town of Upper Marlboro Community Day is Saturday May 18, 2019 from 10am until 4pm in Downtown Upper Marlboro. We will kick off the day's festivities with a parade down Main Street starting at 10am, and then transition into our community festival from 11am until 4pm. Come out to enjoy:

- Kids Fun & Activities
- Games & prizes
- Family-friendly live entertainment and performances
- Delicious Food Vendors & Food Trucks
- Government & Non-Profit information booths
- Unique sales vendors
- Parade performances & floats
- Local business and community partners
- Local, State, County and Federal partners

We hope you'll mark your calendar for the 2019 Town of Upper Marlboro Community Day! The Town of Upper Marlboro is steadfast in bringing together all members

Marlboro Boys & Girls Club

Congratulations to the Marlboro Boys and Girls Club's Boys 14U, Girls 14U and Girls 10U Basketball Team. The Boys under direction of Coach Rod Lawrence are this year's Prince George's County Boys and Girls Club (PGCBGC) 14U Champions while both Girls teams led by 10U – Coach Pratt and 14U led by Coach Manago were runner-ups respectively.

The Marlboro Boys & Girls Club is an extension of the PGCBGC that operates under the Maryland National Capital Park and Planning (MNCPP) commission. The Marlboro Boys & Girls Club has been a proud member since the 1970s.

The mission of the Marlboro Boys & Girls Club is to provide a positive environment that encourages learning and a venue conducive to a progressive future for all youths who participate. Principles of good

MBGC Boys Basketball 14U won the County Championship!

sportsmanship, instruction of fundamentals, and the welfare of all individuals are all key components of the club's objectives. The club promotes the development of good citizenship within our boys and girls, in addition to providing a thoroughly supervised atmosphere. Leadership is provided by seasoned mentors drawn from the communities of Prince George's County who accept the responsibility of our youth's future.

The Boys and Girls Club vision is to provide a program that can support and sustain itself while adequately providing an avenue for the children of our community to develop.

You are invited to check out their website at www.mbgc.org. Currently registration is open for spring and summer sports which includes spring football (tackle and flag), soccer, track, baseball and lacrosse.

Grab Your Gear!

Don't forget to grab your T-shirt for the Town of Upper Marlboro Community Day! Show your spirit and support for the community on May 18 by making sure the entire family has gear to celebrate in. Trust us, there is something for everyone! Visit our website for more information and to place an order!

To Order: Please call the Town Hall at (301) 627-6905 to pay by credit card. Or visit us Monday - Friday 9am - 5pm to pay by cash. All orders placed are to be picked up from our Town Hall within one (1) week to the date of your order.

SCW Update

The Façade Improvement Program is Paving A Way

The Façade Improvement Program is paving a way as part of the effort in beautifying the Town of Upper Marlboro.

Business/ property owners are excited about the opportunity to receive a "face lift" to their storefronts. The Sustainable Communities Workgroup (SCW) has talked to several interested Business/ Property owners who are in the process of applying for the Façade Improvement Grant monies, including Celia Hopkins of Main Street Coffee who is set to open soon! Read below what was told to the Group.

SCW: Why are you in this type of Business?

Main Street Coffee: We chose to open a coffee shop for several reasons. 1. We love Coffee....a really good freshly brewed cup of coffee. 2. We love the vibe and sense of community that coffee shops provide to Coffee drinkers and their local community. 3. We noticed that the Town and community of Upper Marlboro needed a business that bridges relationships between the Town and its people.

SCW: How did you get started in your Business?

Main Street Coffee: Research, research, research, we got started in the coffee business by visiting coffee shops including New York City. We also researched local coffee roasters to get a sense of what local coffee roasters had to offer. We enlisted the help of our network of friends across the United States for leads on the best coffee beans in their local areas to find the best product. We also spent time with other coffee shop owners and baristas to learn their best practices.

SCW: As a Business Owner, what are your top three priorities?

Main Street Coffee: The top 3 priorities for Main Street Coffee and Treats are: 1. Provide the most

delicious and satisfying quality cup of coffee ever. 2. Provide exemplary customer service to every person who walks through the door and 3. Create an atmosphere where the community can gather, connect and build.

SCW: What innovation(s) can you make that will change the Town of Upper Marlboro?

Main Street Coffee: Main Street Coffee and Treats seeks to transform and revitalize the community of The Town of Upper Marlboro by providing an anchor for the community to meet, relax and unwind with a great cup of coffee and a treat. Main Street Coffee and Treats desires to be a part of the awakening of a vibrant community that is stimulated by small businesses who provide products and services that the Communities needs and deserves.

These comments are voiced by many of the Town's business and property owners as the Façade Improvement Program paves its way.

TUMHC Update

Founded in 2012, the Town of Upper Marlboro Historical Committee (TUMHC) is an all-volunteer committee, working to fulfill its mission to research, compile and promote the rich history of the town, its people and its government. To date, we have collected over 1300 pictures that record over a century the town's past and present for future generations.

On Saturday, May 11th, the TUMHC will be hosting their annual "Memories and Morsels on Main Street". Come take a walk down Main Street with our historian and committee members and discover the Town's Main Street as it used to be.

For more town history and weekly posts, please visit the Town of Upper Marlboro Historical Committee Facebook page. The committee shares its photos and town history with weekly pictures and articles.

We meet the 3rd Saturday of each month, where we welcome and collect historical pictures, memories, and artifacts. If you have some pictures, artifacts or memories you'd like to share, please come visit us!

Schoolhouse Pond Stormwater Upgrade Project

Clean Water Partnership Background

Prince George's County, Department of the Environment, in alliance with the Clean Water Partnership (CWP) has been working on the planning and design of a stormwater quality improvement project near 14800 Governor Oden Bowie Drive, also known as Schoolhouse Pond.

Project Details

This project is being completed to meet regulatory requirements for treating stormwater within Prince George's County. The CWP program will install, upgrade, and maintain three forebays and an outfall. The forebays will capture excess sediment and other pollutants prior to releasing stormwater into the pond site, as well as provide better drainage to the outfall structure. Pedestrian access to the trail path will be restricted during construction. Construction is estimated to start in late Spring 2019 and will be complete by Winter 2019, weather permitting.

The Clean Water Partnership is a Public-Private Partnership (P3) between Prince George's County and

Corvias. The CWP is the first of its kind to design, build, finance, operate and maintain urban stormwater infrastructure to meet Municipal Separate Sewer System (MS4) regulatory requirements and is committed to retrofit up to 4,000 impervious acres. Please visit thecleanwaterpartnership.com to learn more about this innovative partnership. If you have any questions, please email Kristina.Bigby@thecleanwaterpartnership.com.

The Public Works Corner

Spring Ahead Into Spring Cleaning!

In anticipation of the growing season, it is important to make sure your home is in tip top condition! Here's a few tips to consider as we transition to warmer temperatures.

“[Tip:] Inspect for loose or leaking gutters. Ensure that downspouts drain away from the foundation and are free of debris.”

Keep in mind that Public Works has weekly bulk collection and twice per week lawn waste collection for all of your spring cleaning disposals.

CHECK OUTSIDE WATER SOURCES
CHECK YOUR HOSE & OTHER OUTDOOR WATER SYSTEMS TO MAKE SURE THEY HAVE NO DRY ROT OR FREEZE DAMAGE. IF YOU CAN STOP THE FLOW OF WATER WITH YOUR THUMB, THE PIPE INSIDE THE HOME MIGHT BE DAMAGED

HAVE A PROFESSIONAL CLEAN THE AC UNIT
CLEAN COILS WILL RUN MORE EFFICIENTLY, AND AN ANNUAL SERVICE CALL WILL KEEP YOU INFORMED OF ANY DAMAGE. CHANGING INTERIOR FILTERS ON A REGULAR BASIS IS ALSO A GOOD PREVENTATIVE MEASURE

CHECK THE GUTTERS
INSPECT FOR LOOSE OR LEAKING GUTTERS. ENSURE THAT DOWNSPOUTS DRAIN AWAY FROM THE FOUNDATION AND ARE FREE OF DEBRIS AS WATER CAN CAUSE DAMAGE IN BASEMENTS AND CRAWL SPACES

EXAMINE THE ROOF
INSPECT ROOF FOR ANY CRACKED OR MISSING SHINGLES, PAY PARTICULAR ATTENTION TO ONES SURROUNDING PLUMBING VENTS, SKYLIGHTS, AND CHIMNEYS

EVALUATE CONCRETE AND WOOD
LOOK FOR CRACKS IN THE CONCRETE & MAKE SURE EXTERIOR SLABS DRAIN AWAY FROM THE HOME'S FOUNDATION. LOOK FOR ANY ROTTING WOOD AROUND DOOR FRAMES & WINDOWS. REPLACE & REPAIR IF NEEDED.

REGRADE THE SOIL AROUND YOUR HOME
LOW AREAS IN THE YARD OR NEXT TO THE FOUNDATION SHOULD BE FILLED WITH COMPACTED SOIL. RAIN CAN CAUSE YARD FLOODING, WHICH CAN LEAD TO FOUNDATION FLOODING AND DAMAGE

(USAJ Reality, 2016)

ARE YOUR READY?

There is so much that we can do as individuals and a community to be prepared in the event of an emergency and worst; a disaster. Emergencies and disasters affect us all, thus “it takes everyone – youth, parents, and community members, to help prepare” (www.Ready.gov).

It begins with becoming well-informed, followed by properly

planning, taking prompt and appropriate actions, among other steps that will be discussed later.

At any moment and location, an emergency or disaster can occur with little or no warning, nor time for you and your family to plan. Are You Ready?

Become well-informed of the disasters and hazards that could affect your community, where you work, and areas that you visit. Understand how you can receive emergency alerts, and where you and your family could go should there be a need to evacuate your residence.

Do you know how to report an emergency or hazardous situation?

Planning in advance of an emergency and disaster is an absolute necessity

for your survival, and to mitigate confusion and impact. Start planning today; when disaster strikes, your family may not be together, so know how to successfully contact one another.

Your planning can begin with answering these four questions:

Continued on next page »

Are You Ready (cont.)

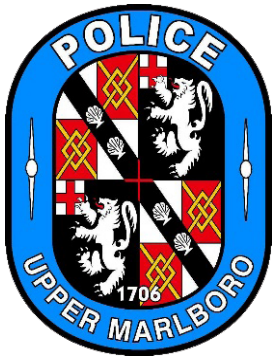

- 1) How will I receive emergency alerts and warnings?
- 2) What is my shelter plan, if I cannot return home immediately?
- 3) What are my primary and alternative evacuation routes to safety?
- 4) What is my family/household communication plan?

There are numerous ways to become involved before a disaster strikes. Trained volunteers and well-informed individuals whom are prepared to take appropriate

action to increase support to emergency responders is an outstanding way to promote a safer homeland. For more information on preparedness actions, please visit <https://www.ready.gov/> or contact the Upper Marlboro Community Emergency Response Team (CERT) at CERT@UpperMarlboroMD.gov

Alonzo Joy
Secretary, Greater Upper Marlboro CERT

A Message from the Chief

It is an honor and privilege to serve as the new Chief of Police for the Town of Upper Marlboro. I do not take lightly the responsibility of leading one of the finest municipal departments in the State of Maryland. I look forward to working closely with the Mayor, Commissioners, and my fellow colleagues to meet

the public safety needs of the community, its residents, and visitors of the Town.

As Chief, I am committed to rebuilding the Town's Police Department and reputation. To achieve this goal, I will solicit ideas for improvements, new initiatives, and ways to leverage technology to ensure those who live, work, and conduct business in the Town can do so in a safe, 21st century environment.

Chief David A. Burse

Two (2) - Thefts from autos	One (1) – Fraud Report One (1) - Theft Report

Town of Upper Marlboro Police Department

It is Tax Season- Don't Become A Victim

The IRS continues to warn consumers to guard against telephone scams from thieves intending to steal people's money or their identity. Criminals pose as the IRS to trick victims out of their money or personal information. Here are several tips shared by the IRS to help you avoid being a victim of these scams:

- **Scammers make unsolicited calls.** Thieves call taxpayers claiming to be IRS officials. They demand that the victim pay a bogus tax bill. They con the victim into sending cash, usually through a prepaid debit card or wire transfer. They may also leave "urgent" callback requests through phone "robo-calls," or phishing email.
- **Callers try to scare their victims.** Many phone scams use threats to intimidate and bully a victim into paying. They may even threaten to arrest, deport or revoke the license of their victim if they don't get the money.
- **Scams use caller ID spoofing.** Scammers often alter caller ID to make it look like the IRS or another agency is calling. The callers use IRS titles and fake badge numbers to appear legitimate. They may use the victim's name, address and other personal information to make the call sound official.
- **Cons try new tricks all the time.** Some schemes provide an actual IRS address where they tell the victim to mail a receipt for the payment they make. Others use emails that contain a fake IRS document with a phone number or an email address for a reply. These scams often use official IRS letterhead in emails or regular mail that they send to their victims. They try these ploys to make the ruse look official.

2019 Graduation Schedule
